28 Tools Dads Can Grab From the Book of Nehemiah

Being a dad is hard work. You need the right tools. There may have been times you've come close to letting your past failures as a father tear you down. But that's not what you want, is it? You don't want to be an average dad; you want to be a great dad who trusts God. And to do the job right, you need the right tools.

"Kent and Eric have partnered together for such a time as this. Now, more than ever, men are looking for practical ways to connect to guide their sons and daughters into adulthood."

Jim Whitmore | President, National Coalition of Ministries to Men

The Manhood Journey

Charting a Course for Biblical Fatherhood

Biblical fatherhood cannot be outsourced.
Fathers are the primary disciple makers in the home. Our children are following our lead, but where are we leading them? Are we leading them towards the perfect Father, encouraging them to grow in their faith and to become the adults that God made them to be?

“Kent does a masterful job of encouraging dads to fulfill their God-given assignment of making disciples of his children and will revolutionize your approach to being a dad.”

Dennis Rainey | Former CEO, FamilyLife

“It's easy, funny and energizing to read, but it's not light. Kent cuts to the chase, gets to the heart and elevates God's fatherhood.”

Jeff Kemp | Former NFL Quarterback, Author of *Facing the Blitz*

“You can't start educating a boy too soon. Kent is singing a song that must be sung with steps that can be followed.”

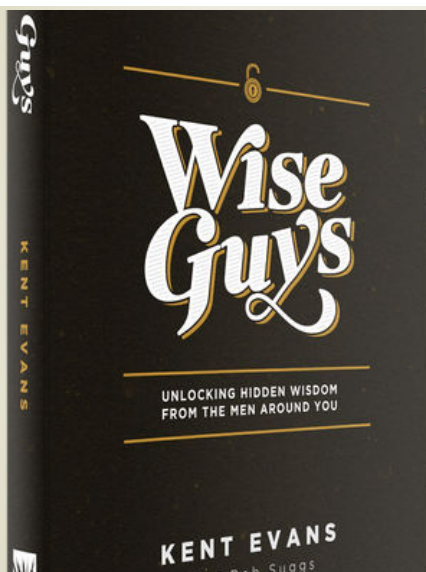

Tom Nelson | Author & Senior Pastor, Denton Bible Church
