

HONORABLE HUSBANDS

Episode 10: Husbands Are Cultivators

Presented by Tim Dunn

Message Synopsis

In this installment of the Honorable Husbands series, Pastor Tim Dunn explores the idea that husbands are called to be cultivators of their wives' hearts, rather than tilling; them. Pastor Tim emphasizes the biblical principle that a husband's role is to nurture, protect, and encourage his wife's spiritual, emotional, and personal growth. This message focuses on the importance of patience, care, and understanding in fostering an environment where a wife can thrive and flourish in her own walk with God.

Discussion Questions

1. What does it mean for a husband to cultivate his wife's heart rather than till it?
2. How can a husband encourage his wife's spiritual growth without being overbearing?
3. What are some ways husbands can create a nurturing environment in their marriages?
4. How does the concept of cultivation align with the biblical view of marriage?
5. What practical steps can husbands take to better understand their wives' needs and desires?

Closing Application

This week, husbands are encouraged to focus on cultivating their wives hearts with patience and love. Take time to listen, understand her needs, and foster an environment of spiritual growth. Remember, the goal is to nurture, not control, and to reflect Christ's love through your actions and attitude within the marriage.
